

Financial Support (Bursary) Update

Financial Support Applications for September 2024 are now open

The college may be able to offer financial support to students with household incomes below £30,000 after-tax (including all benefits), and those who are in local authority care or care leavers.

Financial Support can assist with travel costs, compulsory material and trip costs and childcare costs. In some cases, it can also provide free college meals. If you have been eligible for free meals since 1st April 2018, you will continue to be eligible until March 2025 and throughout the duration of the course you are enrolled in at that point.

In order not to delay your application for the September start, we encourage any student either starting at the college or returning in September to apply early. Please note- Students will need to apply for financial support every year of study, regardless of having a previously successful application.

Please note that when completing your application, you must provide the required evidence as stated on the application, failure to do so could delay your application.

If you have any issues when applying or you have any questions, our team at BCA can be contacted on 01628-827419 or via email at financialsupport.bca@windsor-forest.ac.uk, our team at Langley College can be contacted at 01753-793368 or via email at financialsupport.langley@windsor-forest.ac.uk. During the summer holidays, there may be a slight delay with responses, but we will endeavour to respond to everyone in a timely manner.

To begin please visit <https://windsor-forest.paymystudent.com/portal/>
New applicants should first register, returning students should be able to click "log in with your student account".

Kind regards,
The Financial Support Team
