

APPLYING TO SLOUGH & LANGLEY COLLEGE

Event

Date

Interviews

November 2025 - July 2026

We will discuss your subject choices and you will be given extensive advice. It is important that we match these to your aspirations, abilities and the realities of your career or Higher Education plans.

Offer

An offer will be made in writing following your interview and will indicate any specific entry requirements for the courses you have chosen. You need to accept or decline this offer within one month .

Welcome Day

30th June 2026

Enrolment

21st August to September 2026

You will receive an enrolment appointment towards the end of August. You will need to bring your GCSE results with you to the appointment. If you need to change your programme we will do our best to find an alternative programme.

Start of term

You will start at College with a full induction programme before lessons. September 2026

slough.ac.uk
